PEN PUSHERS BEAT B. A. FIRST HALF

JOURNALISTS TAKE VACATION AND BUSINESS GAME.

Close Score Result of Hard Game; Accountants Play Well.

Disciples of the Fourth Estate were martyrs to the Shylock basketball team last night. A squad of sordid money grubbers invaded the inner sanctum and with force and violence, wrongfully and wilfully did then and there take and appropriate unto themselves for the personal use and satisfaction of the said m. g.s one bright and brand new victory in the latest of the intra-mural (Editor's Note: We don't know who intra-mural is, but she looks fine) basketball games.

Victory Tendered Interests.

However, the victory was tendered the big business representatives through the generosity and courtesy of the journalists, who, at the conclusion of the first half, discovered that there was only one victory in the game and with the aid and discriminate etiquette characteristic of the profession decided to do the Alphonse and Gaston act and tender it to their more callous opponents.

Tradesmen Outclassed.

The superiority of the professional men over the tradesmen was demonstrated in the first half which ended with a 10 to 7 score in favor of the by-liners. The generous action of the journalists now affords the moneyed interests an opportunity to extend their insidious power and place the dollar mark over their door in University hall, should they defeat the college of arts and sciences Monday. However, the journalists derive much consolation from the famous adage of John Pope, who remarked as he made his ninth trip back to the office for a pipe wrench, "Truth crushed to earth shall rise again, but of all the pipes I've ever plumbed, I like the best a busted main."

And the score was 13 to 11.

UNIVERSITY STAMP SALE MAY NOT COVER QUOTA

Three Hundred Dollars Worth of Christmas Seals Set as Mark.

That the quota of \$300 worth of Red Cross Christmas stamps which the people of the University were expected to buy during the drive which began Tuesday, December 7, and ends today at 6 o'clock, will not be sold, is the opinion of Miss Inga Hoem, in charge of the sales to students. Proceeds will be used to fight tuberculosis in Montana.

The drive has been in charge of Assistant Professor John X. Neuman of the biology department. Persons to take charge of the selling to each campus or fraternities and other organizations being allotted a certain number of the stamps. The stamps are on sale in main hall and at Craig hall.

If Missoula county buys \$1,000 worth of the stamps, a Red Cross nurse will be maintained in the county next year to handle cases of tuberculosis, according to Miss Hoem.

The stamp sale was started at Montana State college over a week ago. Miss Hoem stated that the late start at the University is the only reason the complete quota might not be sold here.

Dean and Mrs. C. W. Leaphart were the guests of Sigma Phi Epsilon at dinner Sunday evening.

Fought Mexicans as a Preparation to Fight Germans

To Ralph H. Whitney, a student in the forestry school, belongs the prestige of having fought bandits in Mexico as preparation for the part he played in the great war. Before the civil wars started in Mexico, Mr. Whitney and his brother owned a valuable stock ranch across the border. Hundreds of their cattle and horses were carried off by the Mexicans, and Mr. Whitney had many an exciting chase and fight to recover his property; he was twice wounded in the encounters. After several years he found that ranching in Mexico was an impossible undertaking and in 1916 brought his stock up to Montana.

Mr. Whitney's adventures did not stop with bandit chasing. He enlisted as soon as the United States entered the war and the transport on which he went across was torpedoed. He faced death three days in an open life boat until he was rescued and taken to France. He was sent to the 108th Ammunition Train where he served as supply sergeant.

He fought in the famous St. Mihiel drive and then in the Meuse-Argonne received the wound that took him out of the fighting. He came home in a hospital ship and in March, 1919, was discharged.

In spite of adventures that would be a credit to a movie hero, Mr. Whitney has to be asked very urgently before he will tell all the things he has done.

SEVEN KEYS TO BALDPATE TO BE TAKEN TO IDAHO

TURNER GIVES GUARANTEE

Will Play in Mullen, Kellogg, Wallace and Coeur d'Alene.

The Masquers club will take the first play which they have produced this year, Seven Keys to Baldpate, with the original cast, up the Coeur d'Alene, leaving Wednesday, December 29, for Mullen, where they will play that night. From Mullen they will go to Kellogg, December 30; Wallace, January 1, and to Coeur d'Alene City, where they will give two performances on New Year's day. Mrs. Quincy Scott, as chaperon, and Mr. Alexander Dean, director, will go with the company.

Mr. Henry Turner, manager of the theaters where the play will be shown, has given the Masquers a substantial guarantee. The play was put on in Missoula November 13 for the Homecomers. Before that it was presented at Bonan, Polson and Stevensville, where it met with great success.

Cameron, Law Grad, is Assistant to S. C. Ford

Carl E. CCameron, a graduate of the law department in 1914, has been appointed assistant to Attorney General S. C. Ford, following the resignation of A. A. Grorud, who has entered private practice.

Mr. Cameron has been law clerk in the offices of the attorney general for several years.

While in the University he was, during his junior year: President of his class, captain of the track team, and on the Sentinel staff. He won his M in track the first three years he was here, and was president of the A. S. U. M. his senior year.

He is a member of Sigma Nu fraternity.

Sigma Phi Epsilon announces the initiation of Earl P. Dirmeyer.

MONEY ALLOTTED BY STATE BOARD

SEVEN INSTITUTIONS DIVIDE BOND MONEY.

State University Will Receive Six Hundred Thousand from First Sale.

The State University was allotted \$600,000 for its share to be used in improving and adding new buildings to the campus. With the action taken by the state board of education at a meeting last Tuesday in Helena, calling for the immediate sale of bonds totaling \$1,750,000 of the \$5,000,000 issue ratified by the voters at the last election.

State Board Meets.

The meeting of the state board of education, held on the same day as the state board of canvassers and the state board of examiners was called to determine the amount of money to be used during the coming year for building purposes and to allot to the state institutions their respective slices of the bond issue.

The preliminary step of the session of meetings was the formal official notification of the ratification of initiative measures 18 and 19. The state board of canvassers certified the returns and the governor of the state issued a proclamation of the results. The state board of education then went into session and decided on the construction of buildings to the extent of \$1,750,000, their recommendation was then sent to the state board of examiners who made immediate plans for the authorization and conclusion of the sale of the bonds.

Difference Between 18 and 19.

At this juncture it may be well to say that the initiative measures 18 and 19, while having a great deal in common as far as ultimate purpose is concerned is considerably different from the standpoint of legislation. The former, which provides for a millage tax, is handled exclusively by the state legislature and is used for the maintenance of the state institutions. The latter, which provides for the issue of bonds to be sold and the proceeds to be used for building purposes is handled by the state board of education, which determines the amounts to be used and how much each institution shall receive, and the state board of examiners who handle the sale of the bonds.

\$600,000 to University.

It is expected that a large part of the \$600,000 allotted to the State University will be used in the construction of a new library building and heating plant, the work on which will begin early in the spring.

The new library building will be erected just west of the present library in the northwest corner of the campus and in general style will probably resemble the natural science hall. The present library, the main study room of the students, is so small that a comparatively few of them can be accommodated. After the new building is completed the present library will be used for general classroom work and eventually be turned over to the law school.

The heating plant will be located in the northeast corner of the campus, a place most easily accessible to the railroads, facilitating the hauling of coal.

The \$1,750,000 will be allotted to the various state institutions as follows:

State University, Missoula, \$600,000. Agricultural college, Bozeman, \$600,000. School of Mines, Butte, \$250,000. Normal School, Dillon, \$25,000. Orphans' Home, Twin Bridges, \$75,000. School for Deaf and Blind, Boulder, \$75,000. Industrial School, Miles City, \$50,000.

HOLIDAY FOR STORE.

The campus store will be closed from 6 o'clock December 23 until December 30, says Manager MacPherson Gault.

Alpha Phi Losers to Delta Gamma in Hard Fought Game

Delta Gamma won from Alpha Phi in a hard-fought contest, 10 to 9, Thursday. Emma Quast and Ruth James at guard played good ball for Alpha Phi, their close guarding being the feature of the game. Nina Moore played a good game at forward and Sol Andreson showed up well at center.

Audrey Burt, at forward, played a good game for Delta Gamma, making most of her team's points. Edwina Dexter at guard also played good ball for the winners.

Theta defeated Kappa in a rather slow game marked by the inability of the forwards of both teams to make baskets, by the score of 11 to 7 Tuesday. The feature of the game was the close guarding of the Theta guards, Helen Streit and Lillian Goff.

Helen Little at forward for Theta made most of her team's points, with Mary Laux playing a good game at center.

For Kappa Maribel Spelman at guard, and Marie Hopkins at forward played good ball. Marie Hopkins made most of her team's points and played a good floor game.

With both teams giving a good demonstration of teamwork, Town lost to Craig hall Wednesday, 22 to 18, in a fast, spirited contest. Town put up a good game, but lack of consistent basket shooting by the forwards gave Craig hall the chance to win. Craig hall has a team that works well together and whose forwards can be depended upon in the crucial moments of the game.

Lillian Christensen, center for the Town team, played her usual steady game, playing the floor well and making most of her team's point. Lois Showell and Esther Nelson showed up well at guard, their close guarding preventing the Craig hall forwards from getting many close shots at the basket.

For Craig hall the work of Pearl Degenhart and Bonna Pearsall at forward was especially commendable, while Helen Carson and Amanda Velikanje at guard played excellent ball.

This afternoon at 5 o'clock Kappa will meet Delta Sigma Chi.

BIERMAN AND LANSING ATTENDING CONFERENCE

Will Complete Schedules for Football, Track, and Basketball First.

Coach B. W. Bierman and Graduate Manager H. H. Lansing left yesterday to attend the meeting of the coaches of the Northwest Conference, for the purpose of arranging the athletic schedules for the coming year. Athletic Director W. E. Schrieber also intended to attend the meeting but was unable to do so, because of the added work connected with his department at the end of the quarter.

The schedules for basketball, football and track will be arranged first, and dates for baseball will be considered afterward. The finances of the University may not permit a very heavy schedule in baseball.

The success of the University's football team this year should guarantee a good schedule for the gridiron game. Probably the big game of the season will be a return game with the University of Washington. It is not expected that the game will be played in Missoula, due to lack of funds.

A full season is probable in basketball. Games with other teams of the conference will give Montana a chance to exhibit her strength at the indoor sport.

Insufficient funds will not permit the arranging of a very heavy schedule in baseball. Montana won the championship of the Northwest Conference last year and the prospects for a winning team this year are very bright.

Coach Bierman and Manager Lansing are expected to return Sunday evening.

BUTTE IS CHOSEN PLACE OF DEBATE

COLUMBIA DECIDES ON JAP EXCLUSION QUESTION.

Clapp of Mines and Maddock of Public Schools Pledge Generous Support.

"Butte may be chosen as the place of the debate between Columbia University and the State University of Montana, if plans now under consideration are adopted," said George Witter, manager of debate, Thursday. Columbia asked that the debate be held in Butte and President Charles H. Clapp of the State School of Mines and W. E. Maddock, superintendent of the Butte public schools, have offered their own hearty support and that of their institutions for the furtherance of that plan, in letters to President E. O. Sisson.

Butte citizens have offered to form a committee to take charge of all the local arrangements. Various Butte organizations are to be called upon and are expected to join in supporting the proposal. Since Butte is an enthusiastic University center and the holding of the debate there will result in still wider publicity for the University, these arrangements are satisfactory to all concerned.

No further terms have been submitted yet by Columbia. No definite time has been set, but the question will be the exclusion of Japanese immigrants.

DELTA RHO DEFEATS SIGMA CHI QUINTET

Alpha Delta Alpha Will Play Winners December 14 for Championship.

Delta Rho defeated Sigma Chi in the inter-fraternity semi-finals by a score of 16 to 10, and won a place in the finals to contest with Alpha Delta Alpha for the championship. The game was hard fought and closely contested from the starting whistle to the final gun.

Although every minute of the game was fast and furious it did not mark the unnecessary roughness of the other games of the series. After several minutes of good floorwork by both teams George Dahlberg dropped in a neat basket and started the scoring. His tally was followed with two by Higbee. Stowe shot a pretty basket for Sigma Chi, making her only score of the first period. MacGowan and Holkesvig each scored a ringer and Dahlberg made a free throw. The score at the end of the first half was 9 to 2.

Dahlberg at forward, Hibgee at center and MacGowan at guard were the stars of the Delta Rho quintet. Holkesvig, who played but half a game, proved himself a reliable floorman. Porter, forward, Meyers, center and Baird at guard were the mainstays of the losers. Brannan, who started the second half, played a good hard game and was in a good part responsible for the Sigma Chi rally.

Tuesday's victory means that Delta Rho meets Alpha Delta Alpha, who drew a bye in the finals, for the championship. The two teams are undoubtedly the strongest in the tournament, and when they meet next Tuesday they should put up an interesting game. Alpha Delta Alpha exhibited wonderful teamwork in the preliminary games, but what they can do against a pair of superior guards remains to be seen. Delta Rho has been under fire twice from two strong teams, and there is no doubt about the class of ball they can play.

FRIDAY, DECEMBER 10, 1920

ALL THE WORLD LOVES A BOOSTER.

Crab and the world crabs with you, boost and you boost alone. This seems to be the spirit that is pervading the campus.

The faculty was under fire in a recent communication to The Kaimin. The charge was that all but three or four instructors were incompetent and not sufficiently high minded. Student officers are crabbed for what they do and what they do not do. The student body as a whole is crabbed for a so-called lack of interest in student affairs. The upperclassmen crab the freshmen for cutting the campus and the first-year men say the fault is all with the sophomores and upperclassmen.

Why knock everything and everybody? There doubtless are some instructors who should not be on the faculty. Every student officer makes mistakes and freely admits it. We believe the faculty members try to do right and we are more than sure student officers are giving the best service they are capable of. The institution has doubled its enrollment the past five years. The formative days are over. We are to have new and better buildings, not all at once, but eventually.

Constructive criticism is desirable, necessary. But continual knocking has no place in the development of the institution. If Daddy Aber and the other pioneer faculty members who came here with him had the vision to stay and help bring the University up from its infancy, the rest of us ought to be able to get behind the institution in its present state and push, and push hard.

There have been epidemics of knocking on the campus before but they have been short lived, at least they soon became less general.

Get behind the instiution.

Rings were never more fashionable than this year. The designs are simply remarkable, and our cases are filled with many, many beautiful ones.

Diamonds, rubies, pearls, sapphires—each a perfect gem.

Don't wait until the last week to get your Christmas shopping done. Our holiday stocks are complete now, and we have leisure to give you real service in making your selection. So come in now.

Our rings are well worth a trip down town to see.

REGISTRATION JANUARY 3.

Registration day for new students will be on Monday, January 3, 1921. Classes will start on Tuesday, January 4.

CONDOLENCES.

Marion Star Office,
Marion Star.
December 9, 1920.

Editor Montana Kaimin:

Appreciated the leased wire service on the game. My condolences to the team and your associates on The Kaimin on losing the game.

Am just back from my vacation and have a lot of accumulated correspondence to answer. Give my best regards to Dean Stone and Dr. Christensen.

When in Washington after March 4 drop around and see me and Mrs. Harding at the White House. Appreciated your support in the campaign.

WARREN.

Dayton News Office,
Dayton, Ohio.
December 9, 1920.

Editor Montana Kaimin:

Words cannot express my sorrow at the loss of the game by my fellow scribes. But like the best men, the best team does not always win.

It was a sloppy game because the opposition had such a big slush fund.

J. MIDDLETON COX.

Dearborn Independent Office,
Dearborn, Mich.
December 9, 1920.

Editor Montana Kaimin:

I am torn between conflicting emotions. My heart is with the gallant pen wielders. But I understand the game was won on a flivver. My business instinct prompts me to say that this is but another indication of the reliability of the vehicle with the springless back seat.

HEN FORD.

Leavenworth Penitentiary,
Leavenworth, Kansas,

Editor Montana Kaimin:

Am powerful sorry to hear of the K. O. delivered by the money fiends in the second round. Take my advice and do not try to stage a comeback. Just look at me.

JOHN ARTHUR JOHNSON

Oxford University, England,
December 9, 1920.
(By Cable).

My heart bleeds to learn of the sordid triumph of the counter jumpers. Advise you to bring to bear the power of pitiless publicity to expose their nefarious methods.

BRUCE HOPPER, ex-'17.

Oxford University, England,
December 9, 1920.
3:30 a. m.
(By Cable).

Editor Montana Kaimin:

The disgraceful victory of the profiteers in Thursday's game is but another indication of the tightening of the tentacles of the omnivorous proletariat about the inherent right of free speech and free throw. Remember Ben Franklin and beware the Ides of March.

CLARENCE STREIT, '20.

CONVOCATION APPROVES STORE INCORPORATION

**Weisberg Asks Student Support
at Orchestra Concert
December 17.**

The articles of incorporation of the student store were voted upon and approved at the special student convocation held last Tuesday morning at 9 o'clock.

A board of temporary trustees was elected to incorporate the store and to file the articles of incorporation. The members of the board are as follows: Edward Platt, Professor L. M. Simes of the law school; Dean Shirley J. Coon of the school of business administration; John MacPherson Gault and Eugene Harpole.

George Shepard, president of the A. S. U. M., criticized the students for cutting the campus. He said that all paths should be abandoned except the one leading to the campus store.

Professor A. H. Weisberg of the music department urged the hearty support of the students at the concert of the State University Symphony orchestra to be given December 17 at the Liberty theater. Mr. Weisberg also asked that all students who play orchestra instruments report to him.

Report on Tag Day.

Fred Daylis gave the results of tag day, stating that \$850 had been raised in the two days. He also said that it would be easy to obtain later in the school year the \$150 more which is necessary to carry out spring athletics successfully.

Charles Roberts, business manager of the Sentinel, in speaking of the 1921 year book, said that it would be the best book possible for the least expenditure. He requested that the juniors and seniors have their photographs taken before the closing of the fall quarter.

Keeley Sells.

During the last few minutes of the convocation Pat Keeley demonstrated his ability as a salesman, selling 19 of the extra 1920 Sentinels at the reduced price of \$1.50.

The R. O. T. C. band played several selections between the talks and at the close of the hour.

First of Student Sings Draws a Large Crowd

The first student sing, held Wednesday morning in convocation hall, was attended by about 250 students. The students, led by Dean DeLoss Smith of the school of music, sang several songs.

Dean Smith expects a larger attendance at the next convocation of this kind. Classes will not be excused for the sings, but each week the convocation will take place on a different day and at a different hour.

THE DOG WATCH.

Editor's Note: The following poem has been received from M. C. Borland, a sophomore in the school of journalism last year, now on the staff of the San Francisco Call. Borland will be remembered on the campus as taking a leading part in last year's Hi-Jinx and for his work on The Kaimin. He was editor of last year's Sigma Delta Chi edition.

The Canine Timepiece ain't no fun.
You either sit and mope, or run
To murders, fires, suicides
And get the dope when someone dies.

If there ain't nothin' doin', Gee
How long the midnight hours can be.
And if there is, it's worse I guess
For you're alone in all the mess.

You can't get "angles" on the yarn.
They want it all or none. Gosh darn
It's hard to take this Dog Watch trick.
Till 2 a. m. you've got to stick.

The other birds are home in bed
When like as not some bird drops dead
Or some fair dame pulls out a gun
And shoots her lover just for fun.

Or maybe robbers crack a safe
Or some drunk smashes up a Cafe.*
Maybe a scream comes down the wind
From throat of damsel who has sinned.

If such there be go mark them well
For such makes circulation swell
And such makes makers of big type
Grow fat and jolly, soft and ripe.

The plaints of some, and some their woes;
Hard luck, statistics, pictures, beaux;
Divorces, weddings, blood and crime.
The Sunday paper for a dime.

UTAH AND AGGIES ACCEPT QUESTION

**JAPANESE IMMIGRATION
WILL BE TEXT**

**State College Question Is Set-
tled; Whitman Requests De-
bate With U Freshmen.**

"Resolved, That the United States government should enact a rigid exclu- sion act against Japanese immigrants," will be the question in the triangular de- bate in which the State University of Montana, the University of Idaho and the University of Utah will take part next spring, according to George Witter, man- ager of debate.

"A communication received today from Idaho states that her team is well pleased with the question, and Utah replied to- day that she preferred Montana's word- ing of the question to her own," said Mr. Witter Thursday.

All arrangements are now complete for the triangular debate except the setting of dates. Montana and Utah prefer to hold the debate early in March but Ida- ho prefers April. It is probable that March will be chosen.

A letter has been sent to Montana State college defining the term, "Vital industries," as she requested the Uni- versity to do before she should choose her side in the University-College debate on the question, "Resolved, That all la- bor disputes arising in vital industries should be settled by compulsory arbitra- tion."

Whitman college wired a request to the University for a freshman debate but it could not be considered on account of the full schedule already arranged, ac- cording to Mr. Witter.

"Washington State College will submit the question in the debate we shall hold with her," said Mr. Witter Thursday.

Pan-Hellenic to Help With Christmas Tree

Pan-Hellenic decided to give the Mis- soula Chamber of Commerce committee in charge of the community Christmas tree \$10 at a meeting of the council Wednesday afternoon.

It was also decided that representa- tives of each sorority will assist in selling the Red Cross seals in the Missoula the- aters Thursday, Friday and Saturday nights of this week.

H. S. MIXER OPEN TO ALL.

A special invitation has been extended to the University students by the senior class of the Missoula county high school to its annual senior mixer to be held in the high school gymnasium Saturday night. A three-piece orchestra has been engaged for the occasion, according to those in charge. This is the first high school dance of the year open to the public.

SIGMA CHI DANCE.

The members of Sigma Chi fraternity will give a dance at the Elks' hall Sat- urday night for the active members and alumni. The chaperons will be Profes- sor and Mrs. A. N. Whitlock, Professor and Mrs. F. C. Scheuch and Mr. and Mrs. James Brown.

MEN OF FIRST DIVISION TO PLAN ORGANIZATION

**University Students and Alumni
Will Help Raise Money
for Memorial.**

Students and alumni of the Univer- sity, who served overseas in the First division during the war, formulated plans to perfect a permanent organization of all veterans of their division who are in this city, at a smoker for the University vocational men given at the Sigma Chi house Wednesday night.

Alva Baird, '16, who was a lieutenant in the division, as temporary chairman, of the organization, will make plans for a banquet for the members to be held the first week in January. At this ban- quet the organization will be completed.

The first organization of the members of the First division was started at Camp Dix in Massachusetts. It decided to erect a monument at Washington, D. C., in memory of its dead comrades. For this purpose an attempt to raise \$150,000 was made. One hundred twenty thousand dollars has been raised. One purpose of the organization in this city will be to assist in raising the remaining \$30,000 to erect a monument.

Among the students of the University who were in the division overseas are Fred Palin, Walter Wryn, Robert Car- son, Clarence Logue and Thomas Balf. First Sergeant James L. Padgett, of the military science department, and Alva Baird also served in this division.

Speer Announces Raise In Simpkins Hall Rates

The present rate of \$10.00 per quarter being insufficient to meet the expense for the upkeep of the Simpkins hall sleeping quarters, the rate for the win- ter quarter will be \$15.00, according to a statement given out by Business Man- ager Speer yesterday. The raise was made in order to coincide with a ruling of the state board of examiners which requires that residence halls shall bear current operating expenses.

Many Students Hear Sophie Hammer Sing

Sophie Hammer, the Norwegian lyric soprano, delighted a large and apprecia- tive audience in musical entertainment at a special convocation Tuesday at 4 o'clock.

Her vocal selections were as inter- esting as they were varied. Songs were sung in Scandinavian, English, Italian and French. Time after time she an- swered repeated encores by the enthu- siastic audience. A feature of the pro- gram was the interpretation of Scan- dinavian folk songs.

Miss Hammer was born in Bodo, Nor- way, a town beyond the arctic circle. Here her musical education began and continued until she went to Christiania and then to Berlin, entering upon an operatic career in the latter place. At the outbreak of the World War, Miss Hammer came to America, in which coun- try she has sung from coast to coast. Her present home is in New York.

Mr. Alexander Dean, instructor in dramatics, read interpretations of the Scandinavian songs before they were sung.

SIGMA PHI EPSILON DANCE.

The pledges of Sigma Phi Epsilon will give a dance in honor of the active mem- bers of the fraternity, at the Parish House next Saturday evening.

HOME ECONOMICS CLASS GIVE SERIES OF DINNERS

The class in household management served dinner to the class members in the home economics dining room Wednes- day. It was one of a series of dinners that the class prepares and serves as its regular laboratory work. Eleanor Dietrich and Bertha Reis were heads of the committee to assign special tasks

to each of the girls so that the dinner might be prepared in an hour. Those seated were Eleanor Dietrich, Ethel Pope, Helen Stewart, Dorothy Miller, Bertha Reis and Inex Tiedt.
